AMENDMENT

Honorable Commissioner of Patents and Trademarks Washington, D.C. 20231

Sir:

In response to the Official Action of 8 May 2002, please amend the above-identified patent application as follows:

In the Claims

Please amend claim 1 as follows:

- 1 1. (twice amended) A transmitter, comprising:
- a multi-signal generator for simultaneously providing a 2
- plurality of signals within a selected frequency band and having a
- frequency and relative frequency center spacing of said
- simultaneous plurality of signals, wherein
- said center frequency is selectively adjusted to cause
- said plurality of signals to cover [at least] a corresponding
- selected portion of the selected frequency band;
